Sir:

The documents listed on the accompanying Forms PTO-1449 were cited in corresponding applications whose attorney docket numbers are written at the top of each sheet of the PTO-1449s. The chart on the following page, as well as the amended Cross-Reference to Related Applications in the accompanying Response, allows the examiner to determine the application numbers in which the corresponding references were cited.

The examiner is requested to initial the space adjacent the document entries on the Forms PTO-1449, and to return a copy of the initialled Forms PTO-1449 to confirm that the documents have been considered and have been officially made of record in this application.

Applicants make no statement that the listed art is material to the present case. The art is cited because it was cited in the applications listed in the "Cross-Reference to Related

Applications” of the present case. The PTO should already have copies of the cited non-U.S.-patent references in the related cases, and copies of U.S. patent references need no longer be provided in order to ensure official consideration.

The following are related patent applications:
